## WHY HAVE OVER A MILLION PEOPLE READ KEITH MILLER?

Keith Miller

The answer is found in Keith Miller's willingness to be vulnerable. He says in essence, "These are the struggles I'm having trying to be Christ's person." By admitting he has to struggle, he has freed millions to admit it with him.

**The Taste of New Wine**, published by Word Books (hardbound, \$3.95), is perhaps the most talked about Christian book of this decade, striking hard at the dishonesty in church life that hinders true fellowship with fellow believers and with God. Miller's views are uncomfortable to the status quo, but they offer mature insight to one searching for the freshness of an honest relationship with Christ.

A layman who has faced up to the inconsistencies in his own church life, Keith Miller sees the institutional church as "old wineskins" into which God wants to pour new life with a new sense of integrity and reality — "new wine." But unlike some critics of the institutional church, the author hasn't given up on it. "The new wine will not burst the old wineskins if the handlers of the old wineskins will receive the new wine and pour it quickly into new skins themselves."

Miller's sequel to **The Taste of New Wine**, **A Second Touch**, also published by Word Books (hardbound, \$3.95; paperback, \$1.25), probes deeply into intensely personal spheres of life. **A Second Touch** is not a book for atheists, but for the one who is wrestling with frustration, loneliness, and anxiety in trying to live creatively the life of faith in God. It is based on Miller's own search for new perspective in ordinary living, the need for a "second touch" from God that makes healing complete (Mark 8:23-25).

Miller's latest Word Books release, **Habitation of Dragons** (hardbound, \$4.95), deals further with the agonizing encounters with personal "dragons" that threaten spiritual development. Divided into 42 selections, **Habitation** is designed to be "lived with" one day at a time for 42 days. "It is not meant to be a substitute for your prayers," explains the author, "but only some footprints of a Christian wanderer on the inner journey who is finding tremendous hope in the midst of life."

All three Miller books are available from your local book dealer.
